INFORMATION STATEMENT
(Preliminary)

May 29, 2020

NOTICE OF STOCKHOLDER ACTION BY WRITTEN CONSENT

GENERAL INFORMATION

This Information Statement has been filed with the Securities and Exchange Commission (the "SEC") and is being sent, pursuant to Section 14C of the Exchange Act, to the holders of record as of May 26, 2020 (the "Record Date") of common stock, par value \$0.0001 per share (the "Common Stock"), of Foothills Exploration, Inc., a Delaware corporation (the "Company," "we," "our" or "us"), to notify the holders of our Common Stock of the following:

The Majority Stockholders ratified by written consent the resolution of the Company's Board of Directors adopted on May 26, 2020, in accordance with the Delaware General Corporation Law, approving the Increase in Authorized Shares.

Accordingly, your consent is not required and is not being solicited.

We will commence mailing the notice to the holders of Common Stock and preferred stock on or about June 10, 2020.

PLEASE NOTE THAT THIS IS NOT A REQUEST FOR YOUR VOTE OR A PROXY STATEMENT, BUT RATHER AN INFORMATION STATEMENT DESIGNED TO INFORM YOU OF CERTAIN ACTIONS TAKEN BY THE MAJORITY STOCKHOLDERS.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them.

The following table sets forth the names of the Majority Stockholders, the number of shares of Common Stock held by the Majority Stockholders, the total number of votes that the Majority Stockholders voted in favor of the action described herein and the percentage of the issued and outstanding voting equity of the Company that voted in favor thereof.

Name of Majority Stockholder	Number of Shares of Series A Preferred Stock held	Number of Votes held by Majority Stockholder	Number of Votes that Voted in favor of the Actions	Percentage of the Voting Equity that Voted in favor of the Actions
Beijing Gas Blue Sky Holdings	5,000,000	1,000,000,000	1,000,000,000	32.073%
Kevin J. Sylla	5,000,000	1,000,000,000	1,000,000,000	32.073%
TOTAL	10,000,000	2,000,000,000	2,000,000,000	64.15%

This Information Statement contains a brief summary of the material aspects of the action approved by the Majority Stockholders. As of May 26, 2020, the Company had a total of 1,117,888,772 shares of common stock issued and outstanding and 10,000,000 shares of Series A Preferred Stock issued and outstanding, with each share of Series A Preferred Stock having the voting power equal to 200 shares of Common Stock. Total voting rights held by all Series A Preferred Stockholders as a Class, as of May 26, 2020, is 2,000,000,000 votes.

THE INCREASE IN AUTHORIZED SHARES

The Increase in Authorized Shares will become effective on the date that is twenty (20) calendar days after the mailing of this Information Statement.

We currently expect that such effective date will be on or about June 30, 2020.

The Majority Stockholders ratified the resolution of the Board of Directors of the Company adopted on May 26, 2020, approving the amendment to the Certificate of Incorporation of the Company increasing the Company's shares of authorized Common Stock from One Billion Nine Hundred Seventy-Five Million (1,975,000,000) to Nineteen Billion Nine Hundred Seventy-Five Million (19,975,000,000).

The Majority Stockholders believe that it is advisable and in the best interests of the Company and its shareholders to effect the Increase in Authorized Shares in order to provide additional shares that could be issued for raising of additional equity capital or other financing activities, stock dividends or the exercise of stock options and warrants and to provide additional shares that could be issued in an acquisition or other form of business combination and to better position the Company for future trading should a transaction be entered into and completed. The future issuance of additional shares of Common Stock on other than a pro rata basis to existing stockholders will dilute the ownership of the current stockholders, as well as their proportionate voting rights. The Company is also under contractual obligation, pursuant to convertible note agreements with several lenders, to reserve for issuance a greater number of shares than are currently authorized and available.

THERE CAN BE NO ASSURANCE THAT A SUITABLE BUSINESS OPPORTUNITY WILL BE EFFECTED FOLLOWING THE COMPLETION OF THE INCREASE IN AUTHORIZED SHARES OF COMMON STOCK.

Attached as Exhibit A and incorporated herein by reference is the text of the Certificate of Amendment to Certificate of Incorporation (the "Amended Certificate") as approved by the Majority Stockholders. The Increase in Authorized Shares will be effected by filing the Amended Certificate with the Secretary of State of Delaware, which is expected to occur approximately twenty (20) days after the mailing of this Information Statement. The Increase in Authorized Shares will become effective upon such filing.

Effects of Amendment.

The following table summarizes the principal effects of the Increase in the Authorized Shares:

	<u>Pre-Increase</u>	<u>Post-Increase</u>
<i>Common Shares</i>		
<i>Issued and Outstanding</i>	1,117,888,772	1,117,888,772
<i>Authorized</i>	1,975,000,000	19,975,000,000

Potential Anti-takeover effects of the increase in authorized shares.

The implementation of the Increase in Authorized Shares will have the effect of increasing the proportion of unissued authorized shares to issued shares. Under certain circumstances this may have an anti-takeover effect. These authorized but unissued shares could be used by the Company to oppose a hostile takeover attempt or to delay or prevent a change of control or changes in or removal of the Board of Directors (the "Board"), including a transaction that may be favored by a majority of our shareholders or in which our shareholders might receive a premium for their shares over then-current market prices or benefit in some other manner. For example, without further stockholder approval, the Board could issue and sell shares of common stock, preferred stock or some combination of both, thereby diluting the stock ownership and voting power of a person seeking to effect a change in the composition of our Board or to propose or complete a tender offer or business combination involving us and potentially strategically placing shares with purchasers who would oppose such a change in the Board or such a transaction.

Although an increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have a potential anti-takeover effect, the proposed amendments to our Certificate of Incorporation is not in response to any effort of which we are aware to accumulate the shares of our Common Stock or obtain control of the Company. There are no plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences.

The Board does not intend to use the consolidation as a part of or a first step in a "going private" transaction pursuant to Rule 13e-3 under the Securities Exchange Act of 1934, as amended. Moreover, we are currently not engaged in any negotiations or otherwise have no specific plans to use the additional authorized shares for any acquisition, merger or consolidation.

Dissenters' Rights.

No dissenters' or appraisal rights are available to our stockholders under the Delaware General Corporation Law in connection with the proposed amendment to our Certificate of Incorporation to effect the Increase in Authorized Shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of May 26, 2020, certain information regarding beneficial ownership of our Common Stock (a) by each person known by us to be the beneficial owner of more than five percent (5%) of the outstanding shares of Common Stock, (b) by each director of the Company, (c) by the named executive officers (determined in accordance with Item 402 of Regulation S-K) and (d) by all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the Securities and Exchange Commission ("SEC"). Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of Common Stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 1,117,888,772 shares of Common Stock issued and outstanding as of May 26, 2020. In computing the number of shares of Common Stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of Common Stock subject to options held by that person or entity that are currently exercisable or that will become exercisable within 60 days of May 26, 2020.

1. The address for each of the officers and directors is 2660 Townsgate Rd, Suite 800, Westlake Village, CA 91361

2. The address for Beijing Gas Blue Sky Holdings Limited is Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda

Applicable percentage ownership in the preceding table is based on approximately 1,117,888,772 shares of Common Stock issued and outstanding as of May 26, 2020, plus, for each individual, any securities that individual has the right to acquire within 60 days of May 26, 2020; and 10,000,000 shares of Series A Preferred Stock issued and outstanding, with each share of Series A Preferred Stock having the voting power equal to 200 shares of Common Stock. Total voting rights held by all Series A Preferred Stockholders as a Class, as of May 26, 2020, is 2,000,000,000 votes. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power over securities. The number of shares shown as beneficially owned in the tables below are calculated pursuant to Rule 13d-3(d)(1) of the Exchange Act. Under Rule 13d-3(d)(1), shares not outstanding that are subject to options, warrants, rights or conversion privileges exercisable within 60 days are deemed outstanding for the purpose of calculating the number and percentage owned by such person, but not deemed outstanding for the purpose of calculating the percentage owned by each other person listed.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

If hard copies of the materials are requested, we will send only one Information Statement and other corporate mailings to stockholders who share a single address unless we received contrary instructions from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, the Company will deliver promptly upon written or oral request a separate copy of the Information Statement to a stockholder at a shared address to which a single copy of the Information Statement was delivered. You may make such a written or oral request by (a) sending a written notification stating (i) your name, (ii) your shared address and (iii) the address to which the Company should direct the additional copy of the Information Statement, to Foothills Exploration, Inc., 2660 Townsgate Rd., Suite 800, Westlake Village, CA 91361-5700.

If multiple stockholders sharing an address have received one copy of this Information Statement or any other corporate mailing and would prefer the Company to mail each stockholder a separate copy of future mailings, you may mail notification to, or call the Company at, its principal executive offices. Additionally, if current stockholders with a shared address received multiple copies of this Information Statement or other corporate mailings and would prefer the Company to mail one copy of future mailings to stockholders at the shared address, notification of such request may also be made by mail or telephone to the Company’s principal executive offices.
